## GYMNASIUM CLASS DESCRIPTIONS

### **EPRD Camp:**

EPRD offers fun summer camps for grades K-5. Youth are provided a safe place to participate in fun active & passive games, art and crafts, swimming, gymnastics and field trips.

### **Drop-In Gym:**

Open gym times may be canceled or modified due to EPRD programs or special events. Open play may be available at other times not listed if no activities are scheduled. Always call ahead at **720-880-1200**, as these hours are subject to change. Open play does not include activities that utilize volleyball or pickleball nets. Facility admission is required for drop in gym participation. Organized team practices are not allowed during drop-in gym times.

### **Volleyball:**

#### **Senior:**

Ages 50 and up, teams practice on Mondays in the Wulf Recreation Center gym. In the spring and fall, CSVA games are played on Wednesday afternoons in Evergreen and various recreation centers. When leagues are not in session facility admission is required.

#### **Adult Coed Intermediate:**

For intermediate and advanced players 16 & older. Players have experience playing on HS or adult-level teams and can consistently demonstrate fundamental skills including serving, passing, attacking and team play.

#### **Family/MS/HS:**

Open to all ages and abilities.

#### **Guidelines for Pickleball Play:**

##### **Regular scoring is standard across the U.S.**

- 4 courts in play: when there are 12 or fewer paddles down (people who are waiting) regular IFP scoring is used with 11 points winning (win by two).
- 4 courts in play: when there are more than 12 paddles down on the floor, scoring changes to 9 points (win by one).
- 2 courts in play: when there are 8 or fewer paddles down (people who are waiting) regular IFP scoring is used with 11 points winning (win by two).
- 2 courts in play: when there are more than 8 paddles down on the floor, scoring changes to 9 points (win by one).
- If the scoring rules change after a game has started, players should follow the new rule.

##### **Stacking of paddles is permissible and encouraged. However...**

- If there are less than four paddles in front of a stack, the number of paddles behind the stack needed to complete a foursome moves to the front and that group goes out on the court first.
- If there are not enough paddles down behind the stack, players coming off the floor will fill out that group.
- In the event that there is an empty court AND there are 3 or less single paddles followed by a stack of 4, AND the scores on the two occupied courts are 5-5 or less, the stack may take the free court first.
- This is a social group, so in the event of stacking, please allow others to rotate into your group.

**Players may attend one level of play per day.**

## GYM RULES & GUIDELINES

- **Food/Drink:** Water only is allowed in the gym. Food and other drinks must stay in the lobby area or outside. No exceptions please.
- **Bleachers:** Please make sure the bleachers are locked in place before use.
- **Basketball Hoops:** Hoops must be raised or lowered completely. The side hoops must be raised to 10 feet before raising to the ceiling. Please contact facility or athletic staff if you need help.
- **Ball Carts/Equipment:** Please make sure ball carts and equipment are returned to their proper location. During volleyball, the basketball cart should be moved into the storage room to avoid the temptation for kids to start bouncing the basketballs on the side.
- **No bikes, black-soled or marking shoes allowed in the gymnasium.**
